

# NSA Innovation Expo

May 20-21, 2019 | Renaissance Waverly | Atlanta, GA

## Call for Abstracts

**Don't miss your chance to speak at the INPO RPM meeting! Vendors have the opportunity to share innovative ideas, new technology and services that represent a cost savings to the nuclear industry. 20 minute presentations will be scheduled on Monday, May 20th and Tuesday morning, May 21st.**

### Presentation Opportunities

Vendors who are exhibiting at the conference may submit an abstract for consideration to present during one of the 20 minute sessions. We suggest making a joint presentation with a utility representative where the site has realized a real cost savings!

Abstract submittal begins Friday, March 1st. **Last day to submit an abstract is Friday, March 29th.** There is no cost to submit an abstract. If more than 28 abstracts are received, Ellen Anderson, NEI will choose the abstracts that are most relevant to this Innovation Expo goals.

Submit your abstract to: [nsanews@charter.net](mailto:nsanews@charter.net) by the deadline.

All decisions regarding abstracts will be communicated by email on or before Friday, April 19th.

Note: If you are selected to present, your abstract will be printed in the NSA Innovation Expo program. The submittal abstract will serve as an introduction to the presentation topic. Vendors should use this opportunity to attract attendees to their discussion.

Questions: contact DeeDee McNeill DeGrowth (401-637-4224 or [nsanews@charter.net](mailto:nsanews@charter.net))

Hotel: Sleeping rooms will be available at the Embassy Suites—same hotel as the customers!
