Passport Drawing

To increase attendee traffic to booths, NSA "Passports" will be used at this meeting. Each customer will be given a Passport containing the name of every exhibiting company. While visiting booths, they will gather signatures from exhibitors on their "Passports". When 95% of the exhibitors have signed the passport, it can be dropped off at a designated area in the Exhibit Hall and will then be included in *the drawing for gifts donated by individual companies. The drawing will be held after lunch on Tuesday.*

When purchasing the gift your company will be donating, please be sure it does not exceed \$200.00 in value. Gift cards must not exceed \$100 however, 2 (or more) gift cards can be donated as long as each value is \$100 or less. The names of all exhibiting companies will be included on the Passport unless otherwise requested.

Booth Personnel

Exhibit fees will cover up to 2 badges for each booth. Additional badges can be purchased for \$500 per badge. Include additional names on the registration form when ordering extra badges and add the additional amount due to the exhibit fee. Extra badges will be available for purchase at the door by cash, check, Visa or MasterCard.

Badges for non-working spouses or children are complimentary. Please indicate "spouse" or "child" if you're requesting one of these badges. *Only officially badged NSA exhibitors and INPO attendees will be admitted to the exhibit area.*

Atlanta Braves Game

The exhibit fee of \$2750 includes two (2) tickets to the game. Additional exhibitors, spouse or children are welcome to attend the game for a fee (\$300 ea).

The Brave's stadium is a short walk from the Renaissance Hotel. We have arranged a private location to watch the game and can arrive 90 minutes before the 1st pitch at 7:20pm. Food and beverage are included.

Presentation Opportunities

Vendor 20-minute presentations will be scheduled Monday, May 23rd and Tuesday morning, May 24th. Presentations need to follow a specific format which includes providing new innovative ideas, new technology, and services that represent a real cost savings to the industry. Abstract must be submitted by April 15, 2022 and approved.

Note: *NSA membership and dues must be current for participation at this meeting.*
